ABOUT RIVERSIDE RECRUITMENT

Now as part of one of the most experienced providers of permanent and temporary staffing solutions in the UK, Riverside Recruitment recognises that talented people are key to the success of any business. Few other recruitment agencies offer the experience, competence and expertise Riverside Recruitment can provide. AWARDS AND ACCREDITATIONS

WHAT OUR CLIENTS SAY?

“I have worked with Riverside Recruitment for many years. They supply me with Class 1 drivers. The standard of the drivers supplied is very high, but the biggest complement I can give Riverside, is that they are always honest and treat us with respect. If we do have any issues, it is dealt with promptly and efficiently. Highly recommended.”

Gary Errington - Transport Manager at Haulage Express

“Having signed up with multiple recruitment agencies to help hire a multitude of positions, including senior managers I was shocked by the lack of customer service or proactive drive to help, until we met Sally Gillespie from Riverside Recruitment. She/they have shown the upmost professionalism from the start. Swift to advertise, screen and hand over exciting candidates for the positions we needed help with, and have stayed in touch to make sure all is going well with those we hired. We will certainly be using them again next time we need to hire.”

David Hyde - Commercial Director at Annandale Distillery Group

“I have been using Riverside for a number of years, Janine and Veronika have been very helpful finding people for our business.”

Vinnie Richardson - Warehouse Manager at Stolle Machinery

“Recruiting staff in hospitality roles has never been as challenging as it has in the past year, especially when the shifts are casual. Having struggled to recruit in to our hospitality roles I found Riverside Recruitment on LinkedIn and reached out to see if they could help, I'm so pleased I did! Each member of the team I have spoken to has been extremely helpful and friendly. They have assisted us with staffing our large events for over 12 months now and have been excellent in doing so.”
